When your event is about music

Doka Studio Booth

price (including 21% VAT)

+ € 550*

* incl. 3 hrs technical assistance

Characteristics

The hydraulic booth is hand-made by Lucas Vlamings and inspired by classical wooden furniture you'd normally find in music studios. In addition to all standard DJ gear it has a 6 channel rotary mixer model 9900 from Alpha Recordings System. Standard features also include a Roland Space Echo and an Avalon VT-747 tube compressor/equalizer. Topped off with two ATC SCM45A monitors normally only found in music studios.

Restrictions

Only available for those who know how to use the items mentioned above.
90 db max.
